Yoga brings peace: Modi

Mysuru, June 21 (RK, MTY & BCT)- Prime Minister Narendra Modi performed Yoga along with thousands of participants at the mass demonstration in the backdrop of the iconic Mysore Palace this morning.

"This whole universe starts from our own body and soul. The universe starts from us. Yoga brings peace to us. The peace from Yoga is not merely for individuals. Yoga brings peace to our society. Yoga brings peace to our nations and the world. And, Yoga brings peace to our universe," PM Modi said.

Today's event in Mysuru is also part of the 'Guardian Yoga Ring' which is a collaborative exercise between 79 countries and UN organisations along with Indian Missions abroad to illustrate Yoga's unifying power.

The PM entered the Mysore Palace premises exactly at 6.26 am after his overnight stay at Hotel Radisson Blu Plaza and ascended the stage at 6.35 am. After exchanging formalities with the guests and addressing the gathering, the PM performed Yoga with over 12,000 people.

Orderly arrangements

The sprawling Mysore Palace was divided into 53 blocks and each block was barricaded. Though arrangements were made to accommodate 15,000 people, only over 12,000 stretched and bent with Modi as many could not enter the Palace as the gates were closed after the PM's arrival. There was confusion about entry gate for public.

Many were stranded outside and as a result, several places like the empty space in front of the Bhuvaneshwari Temple and the nearby park were vacant though green carpet was laid and Yoga mats were spread.

As early as 2 am

Thousands of Yoga performers entered the Palace as early as 2 am as over 100 buses ferried them from various points across the city and the buses had reached their respective destinations last night itself. All the participants were assigned respective blocks and were told to be seated in that block.

Also, as all the blocks were barricaded, there was no opportunity for participants to switch from one block to another. Overall, it was an orderly event. T-Shirts for the event were distributed two days back and the Yoga mats were provided by the AYUSH Department.

In all, there were four layers of security around the Palace and all the participants were checked at the respective counters. First their Yoga passes were checked before they were allowed inside. They were frisked at the second layer and the third layer was the metal detector. The fourth layer formed by the sleuths made the participants enter through door frame metal detector.

Governor Thaawarchand Gehlot, CM Basavaraj Bommai, Union Minister Sarbananda Sonawal, Health Minister Dr. K. Sudhakar, District Minister S.T. Somashekar, MP Pratap Simha, MLAs S.A. Ramdas & L. Nagendra, DG-IGP Praveen Sood, Pramoda Devi Wadiyar and Yaduveer Krishnadatta Chamaraja Wadiyar were among those who performed Yoga with Modi.

Mysuru gets big ticket projects from Centre : Team Mysore

Mysuru, June 21 (PM&DM)- With Prime Minister Narendra Modi on a visit to the city for taking part in the International Day of Yoga, the city's Team Mysore said that Mysuru is getting big ticket projects of the Union Government, thanks to the initiative of PM Modi and efforts of Mysuru-Kodagu MP Pratap Simha.

In a press release, Yeshwant of Team Mysore said that MP Pratap Simha made relentless efforts for the execution of Rs. 500 crore Railway Station re-modelling project at Naganahalli on Mysuru-Bengaluru section of SWR.

Besides, a Centre of Excellence has come up at AIISH at a cost of Rs. 155.49 crore, a Container Depot is coming up at Kadakola, upgradation of Mysore Airport at a cost of Rs.1,820 crore, sanction for establishment of a Mega Semiconductor Park and many others are being taken up, he said.

Pointing out that the vision of PM Modi will help Mysuru find a distinguished place in the global map, he said that road and rail connectivity is vital for development of a city and the PM and the MP are working in this direction.

Observing that the PM's vision and plans for the city is taking the city fast upwards in the chart of growth, with support from the MP, Ministers and officials, Yeshwant said that Team Mysore, on behalf of the citizens of Mysuru, thanks the PM, MP and all others who are working overtime to ensure that Mysuru earns worldwide attention and recognition.

EDITOR'S BOTTOMLINE

The best of harnesses and the tightest of leashes sometimes cannot prevent a pet from getting lost. But a little preparedness goes a long way in ensuring their safe return. Animals, by nature, have an incredible sense of navigation — they travel thousands of kilometres and return without getting lost. Sea turtles and salmon are known to return to their birth sites to lay eggs, and wildebeests in the Serengeti move across the expanse of the Savannahs in search of greener pastures every year, and birds, like the arctic tern, fly pole to pole in search of warmer weather. For the most part, they all find their way, relying on the position of the Sun and stars, the Earth's magnetic fields or their senses. However, sometimes, they err and lose their way, costing them their lives.

Our dogs and cats are not too far behind — studies show they depend on the Earth's magnetism to find their way when lost. Dogs also use their incredible sense of smell to sniff their way home. Newspapers often carry heartening stories of dogs and cats tracing their way home by walking tens of kilometres. But, to do that, our pets need a 'thinking brain' and some space, which is hard to get when stuck in the middle of a road in a bustling city or being attacked by other street dogs and heartless humans. Hence, most lost pets cower and slip into drains and other hard-to-reach places, making it difficult to find them. It's wishful thinking to hope we never lose our pets. Preparing for it is a better bet.

Distillery turns invasive crabs into whiskey

New Hampshire: A distillery in New Hampshire unveiled a new whiskey with an unusual key ingredient - invasive green crabs.

Tamworth Distilling said it teamed up with the University of New Hampshire's NH Green Crab Project to develop House of Tamworth Crab Trapper, which is billed as being "made with a bourbon base steeped with a custom crab, corn and spice blend mixture."

The crabs used for the liquor came from a Seabrook, N.H., trapper. Green crabs are native to Europe and are considered an invasive threat to the New England ecosystem.

House of Tamworth Crab Trapper is being sold at a price of $65 for a 750 millilitre bottle.

Devils jump over babies in unusual festival

Castrillo de Murcia: A Spanish village is preparing for one of its most unusual celebrations of the year, El Salto del Colacho, also known internationally as the "Baby-Jumping Festival."

The celebration of El Colacho, involves men dressed in red and yellow Colacho costumes running through the streets of the village, causing mischief with whips and castanets and culminated with the baby-jumping event - El Salto del Colacho, or "The Flight of the Colacho" - on Sunday after the Feast of Corpus Christie, which fell on June 19 this year.

Drum-beating men arrive on the scene to chase El Colacho, who flees by jumping over the mattress-bound babies. The babies are showered with rose pedals and returned to their parents.

MP appeals PM to sanction Rs. 10 crore for Buddhist Studies Centre in UoM

Mysuru, June 21 (DM)- Making use of the PM's visit to the city, Chamarajanagar BJP MP V. Sreenivasa Prasad has appealed Modi for sanctioning Rs. 10 crore for the establishment of Buddhist Studies Centre in University of Mysore (UoM) campus at Manasagangothri.

PM Modi, who met Prasad at the venue after he (Modi) had interacted with beneficiaries of various Government schemes at Maharaja's College Grounds, enquired about his health. During his brief chat with the PM, Prasad complimented him (PM) for setting up of a Buddhist Cultural Centre at Lumbini in Nepal and at the same time sought Central financial assistance for setting up the Buddhist Studies Centre in UoM campus here.

Highlighting that he has been in politics for five decades, Prasad, a veteran politician, reminded Modi that he had served as a Union Minister of State for four years in Atal Behari Vajpyee led NDA Government 20 years ago.

Pointing out that he has been in electoral politics for five decades, Prasad told Modi that he would be completing 50 years of his political life in 2024 after having served as an MP for 6 terms.

Stating that he is an alumni of the century-old UoM, Prasad submitted a memorandum to the PM seeking release of Rs. 10 crore financial aid for the proposed Buddhist Studies Centre.

REALLY...?

- *The word perfume comes from the Latin word "per fumus" which means through smoke. The word perfumery refers to the art of making perfume.*
- *Later on, the French modernised the word into "parfum" which means the smells produced by burning incense resin.*
- *The first recorded in the world perfumer/chemist named Tapputi, a woman from ancient Babylon in Mesopotamia. The record of her still exists on a 1200 BCE Cuneiform tablet.*
- *The first modern perfume (oils blended in an alcohol solution) ever made was Hungary Water. This perfume was a blend of lemon, orange blossom, thyme, and rosemary notes.*

Ply adequate city buses from Bogadi during peak hours

Sir,

One can see hundreds of students waiting for the city bus in the bus stop on Bogadi-Gaddige Main Road to reach their schools and colleges on time. But there are only a few number of buses plying during that time in which not only the students even other public travel to reach their destinations.

As a result students are finding it difficult to catch a bus during that peak hour.

Hence I request the authorities concerned to arrange more number of buses specially for college-going students and help them to reach their colleges on time and study without any tension and stress.

Royal visit...

Prime Minister Narendra Modi, who had breakfast with the members of the erstwhile royal family at their residence in the Mysore Palace this morning after participating in the International Day of Yoga, seen with Chief Minister Basavaraj Bommai, Governor Thaawarchand Gehlot, Yaduveer Krishnadatta Chamaraja Wadiyar, Pramoda Devi Wadiyar, Yaduveer's wife Trishika Kumari Wadiyar and son Aadyaveer Narasimharaja Wadiyar.

Modi relishes Kashi Halwa, Mysore Pak at Palace

Mysuru, June 21 (MTY& BCT)- Royal delicacies of the Mysuru region including the famed Kashi Halwa and the GI-tagged Mysore Pak were served to Prime Minister Narendra Modi for breakfast at the Mysore Palace today.

After performing Yoga, the PM, along with Governor Thaawarchand Gehlot, Chief Minister Basavaraj Bommai attended the breakfast meeting at the Palace hosted by member of the erstwhile Mysore royal family Pramoda Devi Wadiyar, titular head of Mysore royal family Yaduveer Krishnadatta Chamaraja Wadiyar and his wife Trishikha Kumari Wadiyar.

The breakfast menu comprised Kashi Halwa, Avalakki Upma, Mysore Pak, Mix Fruit, Maddur Vada, Pongal, Bread-Butter, Coconut Chutney, Idly, Sambar, Masala Dosa, Kadlebele Tomato Chutney and Nanjangud Rasabale. The elaborate dishes were served on a big dining table in a silver plate.

Expert chefs from Fern Hill Palace and Regency Villa in Ooty, owned by the royal family, were summoned to the Palace to prepare the breakfast for the VVIPs. Later, the PM was taken around the magnificent structure of the Palace and he was impressed with the architecture.

Today, Mysuru is giving global health directions: PM Modi

Mysuru, June 21 (PIB)- "When we start living yoga, Yoga Day becomes a medium to celebrate our health, happiness and peace," said PM Modi at the Mysore Palace this morning on the occasion of the Eighth International Day of Yoga (IDY).

"Yogic energy, which has been nurtured for centuries by the spiritual centres of India like Mysuru, is today giving direction to global health. Today, Yoga is becoming a basis for global cooperation and is providing a belief of healthy life to mankind," he said.

The PM said that today Yoga has come out of the households and has spread all over the world and this is a picture of spiritual realisation, and that of natural and shared human consciousness, especially in the last two years of an unprecedented pandemic.

"Yoga has now become a global festival. Yoga is not only for any individual but for the

entire humanity. Therefore, this time the theme of the International Day of Yoga is 'Yoga for humanity'," he said.

The PM remarked that India is celebrating Yoga Day at a time when the country is celebrating its 75th year of independence, the Amrit Mahotsav.

This widespread acceptance of Yoga Day, the Prime Minister said, is the acceptance of that Amrit spirit of India which gave energy to India's freedom struggle. That is why mass Yoga demonstrations are being organised at 75 iconic locations across the country which have been witness to the glorious history of India and have been the centre of cultural energy.

"The experience of collective yoga at the historical sites of India is like tying together India's past, India's diversity, and India's expansion," he elaborated.

He also informed about the novel programme 'Guardian Yoga Ring' which is a collaborative exercise between 79 countries and United Nations organisations along with Indian Missions abroad to illustrate Yoga's unifying power that surpasses national boundaries.

As the Sun apparently moves from the East to the West across the world, the Mass Yoga Demonstrations in the participating countries, if seen from any one point on Earth, will seem to be happening one after the other, almost in tandem, thus underlining the concept of 'One Sun, One earth'. "These practices of yoga are giving wonderful inspiration for health, balance and cooperation," he added.

Bend it like Modi:

PM's perfect Yoga postures

Mysuru, June 21 (MTY&BCT)- It is widely known that Prime Minister Narendra Modi has brought the art of Yoga into the spotlight and there is not a single day when he does not take out the time for Yoga.

This morning, Mysureans had a chance of seeing him performing live with the common crowd at the Mysore Palace. Modi opted for comfort with a dash of style as he wore a white half-sleeved T-shirt, a cream coloured scarf with exquisite artworks with matching tracksuit lowers to perform yoga 'asanas'.

While many in the crowd, even some politicos and VIPs and the people surrounding him missed certain commands that were being announced based on the Common Yoga Protocol, PM Modi did not miss even a single command and performed the exercises with ease for 45 minutes.

Normally people of his age find it difficult to stretch, turn and bend fully. But Modi performed the exercises as they were being announced from the loudspeakers. Even the timings of the asanas were perfect. While many surrounding him either began the next asana or ended the asana in a hurry.

Though many participants were looking at each other for guidance on posters, Modi was focused and immersed in the exercises, indicating that he has years of practice and expertise in Yoga. It's very heartening to note that Modi is a devoted Yoga Sadhaka himself and he regularly practices yoga in spite of having such a busy schedule, said a Yoga teacher.

Before the stage programme, the sleuths from the Special Protection Group (SPG) and the Police were debating on the exact place from where Modi would perform. Though the exact place had been decided earlier, the discussion was to misguide people who in all likelihood would rush to meet Modi.

Before the PM's performance, many performers had walked over the mat that was designated for the PM's performance. But as the PM concluded his address, one AYUSH official walked up to the mat and spread another mat on top of it and this mat had white borders. After his speech, Modi walked straight to the mat and began his performance.

NaMo Yoga: Sidelights

- As PM Modi walked after his Yoga performance, many had gathered around the barricades to hold his hand. The PM responded and the crowd erupted with joy.
- Seeing the PM with the crowd, many Yoga performers ran towards him with mobile phones for a selfie. ADGP Alok Kumar, City Police Commissioner Dr. Chandragupta and DCP Pradeep Gunti tried hard to control the crowd.
- While many SPG and AYUSH officers had made their place for Yoga performances around PM Modi, KSTDC Chairman Ka.Pu. Siddalingaswamy drew attention as he was the only politico to perform next to the PM.
- Nanjangud MLA B. Harshavardhan did not get a chance to perform with the PM as none of the Yoga T-shirts fit him. He had even got a Yoga mat from home. Invariably he spent time in the media gallery.
- As Modi was walking out, he saw a small boy dressed in Yoga T-shirt and the PM patted his cheek with a smile.
- A fan performed 'sashtanga namaskar' to Modi and he lay down on the ground with his hands touching the PM's feet. The SPG sleuths rushed and pushed the fan aside. The angry fan said, "He is our God and no one can come between us."

PM inaugurates AYUSH's 2-day expo in city

Prime Minister Narendra Modi inaugurated a Mega Yoga and Ayurveda-related expo including digital display organised by the AYUSH Department of the Centre at the Dasara Exhibition Grounds in city this morning. Governor Thaawarchand Gehlot, Chief Minister Basavaraj Bommai, AYUSH Minister Sarbananda Sonowal and Secretary Vaidya Rajesh Kotecha are also seen. The expo, featuring many demonstrations and displays of Yoga and Ayurveda products, activities and services, will be open to public today and tomorrow from 9 am to 6 pm.

Rs. 2 crore Yoga Park to come up in city

Governor Thaawarchand Gehlot, CM Basavaraj Bommai, Ministers S.T. Somashekar and Dr. K. Sudhakar, MP Pratap Simha, MLA S.A. Ramdas, DG-IGP Praveen Sood and others performing during mass yoga at Palace.

Mysuru, June 21 (PM&DM)- Krishnaraja MLA S.A. Ramdas said that a Yoga Park costing Rs. 2 crore will soon come up in the city.

Speaking to presspersons after taking part in the International Day of Yoga (IDY) at Mysore Palace premises here this morning, Ramdas said that the dreams of bringing the PM to the IDY event has been realised with the participation of Modi.

Maintaining that the PM's visit to the city assumes special significance as it coincided with country's 75th year of Independence (Azadi Ka Amrit Mahotsav), the 8th anniversary of Modi Government and the 8th IDY, Ramdas asserted that Mysuru has gained worldwide attraction with this event. Thanking the PM for taking part in the IDY, Ramdas said that with the blessings of Goddess Chamundeshwari, the event passed off smoothly without any hurdles or intervention of nature.

"As suggested by the PM, a Yoga Park will come up at a suitable spot in the city at a cost of Rs.2 crore. This Park will be named after three yoga exponents who have dedicated their entire life promoting yoga," he said adding that the spot will be identified soon following which the works will be taken up.

When asked to comment on the PM's pat on his back at Maharaja's College Grounds yesterday, Ramdas said, "The PM's hug and pat on my back came totally unexpected; it was a pleasant surprise for me and I too was excited."

Yoga exhibition

Continuing, Ramdas said that a two-day Yoga exhibition has been organised at Dasara Exhibition Grounds marking IDY, which was inaugurated by PM Modi this morning.

Stating that such an expo is being held for the first time in the country, he said that the expo has cost Rs.7 crore. It will be open from 9 am to 6 pm today and tomorrow, he said and appealed the public to visit the expo without fail as it highly educative of yoga and other nature cure therapies.

Yoga Year

Highlighting the Government's grand plans for promotion of yoga, Ramdas said that the current year will be celebrated as 'Yoga Year' and the Government aims to reach out the benefits of yoga to every household under the concept of 'Mane Manege Yoga'. The year-long campaign will be held with support from yoga organisations, Government College of Naturopathy and Yoga and other voluntary organisations in the city, he added.

Ramdas further said that one MCC Ward will be identified in the first phase for implementation of the State Government's ambitious 'Total Health Programme', during which widespread health awareness and sensitisation campaigns will be undertaken in all areas of the Ward.

Many return disappointed after failing to enter Palace on time

Meanwhile, a good number of registered participants, who were issued entry pass by the authorities for taking part in the IDY event in Palace premises, were a disappointed lot as they failed to enter the Palace premises on time. However, they had a glimpse of the event by looking through the Palace North Gate and were satisfied at that, it is learnt.

Many participants who spoke to *Star of Mysore*, said that they were extremely joyous to have taken part in yoga along with Prime Minister Modi. Stating that they were greatly inspired and motivated by the presence of the PM, they asserted that they had vowed to do yoga exercises daily for the sake of their own physical and mental health.

Prior instructions, designated parking lots, step-wise checking prevent traffic jams

Mysuru, June 21 (MTY&KS) - With elaborate security arrangements in place, prior instructions to general public, designated parking lots for yoga performers, VIPs, VVIPs, officials etc., and step-wise checking of people before allowing them to move further has prevented traffic jams from taking place in city this morning.

As the mass yoga performance in Mysore Palace premises was scheduled at 6.30 am today, yoga performers, who were given identity cards to take part in the mass yoga, began to arrive as early as 2.30 am to the Palace.

With prior instructions given to them, the yoga performers parked their vehicles at J.K. Grounds, Town Hall, Junior Maharaja's College Grounds and Maharani's College Grounds and walked their way to the Palace. Buses carrying yoga performers were parked at J.K. Grounds and at Scouts and Guides Grounds and yoga performers came by foot to the Palace.

At the Palace too, various entry gates were there for different category of people such as VIPs, VVIPs, yoga performers, media persons, officials and participants.

City Bus Stand, which is adjacent to Mysore Palace, wore a deserted look this morning as the bus stand was closed and the buses were provided alternate place to park and pick up passengers.

In all, there was not a single traffic jam incident on major city roads and also around Mysore Palace as Traffic Police had put in all preventive measures.

There is nothing as noble as knowledge, says PM

'Sages shaped our consciousness laced with knowledge and adorned with science'

Mysuru, June 21 (PIB)- At the Suttur Mutt, the Prime Minister was warmly welcomed by Sri Shivarathri Deshikendra Swamiji in the presence of Siddaganga Seer Sri Siddalinga Swamiji and Jnanayogashrama's Sri Siddeshwara Swamiji. The PM praised Suttur Mutt and Siddaganga Mutt of Tumakuru for setting up hundreds of educational institutions.

The PM inaugurated KSS Sanskrit Patashala (Kyathanahalli Sahukar Sidddalingaiah Sanskrit Patashala) and the new Student Hostel building at a programme organised by JSS Mahavidyapeetha. The PM also released Vijayapura Jnanayogashrama Seer Sri Siddeshwara Swamiji's three books 'Patanjali's Yoga Sutras: A Commentary', 'Shiva Sutras' and 'Narada Bakti Sutras'.

Addressing the gathering, the Prime Minister expressed his gratitude to be present at the Mutt and among the saints. He expressed the hope that with the modern initiatives that are underway, the institution will give a new expansion to its pledges.

The Prime Minister said, as per scripture, there is nothing as noble as the knowledge that is why our sages shaped our consciousness that is laced with knowledge and adorned with science, the one that grows by enlightenment and gets stronger by research.

"Time and epochs changed and India faced many storms. But, when the consciousness of India diminished, the saints and sages all over the country revived the soul of the country by churning the whole of India," Modi said.

The PM said that the existence of truth is not based on just research but on service and sacrifice. Suttur Mutt and JSS Mahavidyapeetha are examples of this spirit that keeps service and sacrifice above even faith.

Welcoming a statesman

In his address, Sri Shivarathri Deshikendra Swamiji said, "We are immensely pleased to have with us the celebrated Prime Minister of the nation, a statesman, world leader Narendra Modi. The PM has revolutionised Indian politics with unprecedented development works the country has ever seen."

"He has not taken a day off for the last eight years. And working 18 hours a day without an iota of strain is an enigma for us. Perhaps the world has not seen such a leader in the recent past. Today the world looks up to India for its leadership qualities which have brought magical information to the social and economic sectors. As the saying goes: if Modi is there, everything is possible," he said.

The Seer said that India managed the deadly pandemic like no other country under his leadership. Be it painful lockdown or management of pandemic, or vaccination, India became the undisputed leader of democratic nations, he said.

PM Modi pats MLA Ramdas

Remembers the gifts by the MLA's late mother

Mysuru, June 21- Krishnaraja (KR) MLA S.A. Ramdas was very excited when Prime Minister Narendra Modi called the MLA towards him and patted on his back during the programme at Maharaja's College Grounds yesterday evening.

Modi, who arrived at the venue and sat on the stage, saw Ramdas, who standing at a corner of the stage, waved at him and called him even as Union Minister Joshi was addressing the gathering.

Ramdas, who came near the PM, bowed at him during which PM Modi patted his back and enquired about his well-being. The crowd, on seeing this, cheered both Ramdas and Modi.

After addressing the gathering and before leaving the stage, PM Modi spoke to a section of leaders on the dais during which PM Modi pulled Ramdas to his side, patted his back and spoke with him.

When *SOM* sought to know as to what the PM had spoken with him, Ramdas said the PM asked: "How is everybody at home, how is Shrikanth and children?" Ramdas further said that when the PM finished his speech and was talking to the CM and Governor, he (PM) pointed his finger at him and said "When his (Ramdas) mother was alive, I used to receive a lot of gifts from her. She never used to miss sending me gifts on my birthday. After the demise of his mother, the brothers have forgotten me."

To this Ramdas replied saying "How can we ever forget you?" and added that he was indebted to the PM for expressing his love and affection to him publicly.

A portrait to remember...

Prime Minister Narendra Modi, who inaugurated the KSS Sanskrit Patashala (Kyathanahalli Sahukar Sidddalingaiah Sanskrit Patashala) and new Student Hostel building at a programme organised by JSS Mahavidyapeetha at Suttur Mutt in city yesterday, was felicitated by Suttur Seer Sri Shivarathri Deshikendra Swamiji with a Rudrakshi Mala and shawl. Also, the PM was presented with a portrait of Saint Basavanna and another one of Modi with his mother Heeraba, who turned 100 on June 18. Modi was overwhelmed on seeing the portraits and paid obeisance to them.

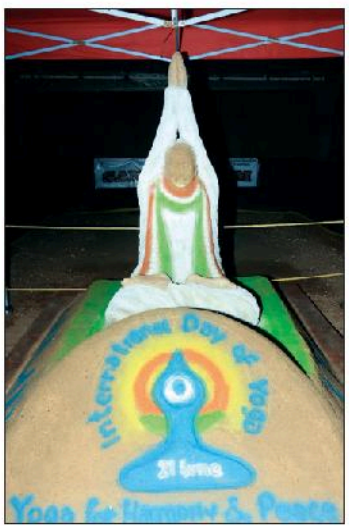
PM Modi's Yoga posture replica at Sand Museum

By Mohan Kayaka

Mysuru, June 21- Mysuru's famed Sand Museum at the foot of Chamundi Hill has a new attraction — a sand replica of Prime Minister Narendra Modi performing Yoga. The 'PM' is performing 'Parvatasana' along with the logo of International Day of Yoga-2022 and different Surya Namaskara postures.

Sand artist **M.N. Gowri** has designed the artwork with the hope to encourage Mysureans to perform Yoga every day and also adopt a healthy lifestyle.

"PM Modi performing in Mysuru on the International Day of Yoga is the main inspiration behind the sculpture and the other



aim is to spread a health-conscious message," Gowri told *Star of Mysore*.

The PM's sand replica is 5-ft high, 15-ft in length and 3-ft wide. The artwork has been cladded in a white dress and a tricolour Shalya. It took about three days for Gowri to complete the sand sculpture and one truckload of sand has been used. It is a 3-D art and needed specialised crafting as the vertical posture had to be set up.

"Yoga has such powerful effects on a person's body that the ancient exercise can completely cure breathing problems and many COVID patients, who had lung disorders after the virus attack, have recovered fully after they began doing Yoga," she added.

Entry to the Sand Museum was free on the occasion of IDY today (June 21).

Artist creates clay Modi idol to mark PM's visit

Mysuru, June 21 (MTY&DM)- To mark PM Modi's Mysuru visit for Yoga Day, city artist **D. Revanna** has created an idol that features Modi sitting in a meditational Yogasana posture with dolls of music band players surrounding him.

Revanna has made this idol out of clay and kept it at his home in Kumbarageri located along K.T. Street.

Revanna had earned attention during last year's Ganesh Chaturthi too when he had made an idol that featured Modi taking part in Ganesha Festival.

Speaking to *Star of Mysore*, Revanna said that the idol featuring PM Modi was created as he was inspired by the PM's Mysuru visit. He said that the PM's idol, painted in white, is 1.3 ft in height and there are dolls of music band players on all sides, with two standing behind the PM and 12 others playing music around him.

When asked whether the idol would be kept for public display, Revanna asserted that it is not for public display.

He maintained that he has thoughtfully arranged the dolls of the band music players playing different instruments around the PM's idol. Each of these dolls is smaller than the main one, he added.

Basavaraju, Proprietor, Divya Electricals, was the guest of honour. M. Nagalakshmi rendered invocation. Dr. Prasad, Manager, Youth Hostel, presided. K.H.A. Jai Jagadeesh, Lecturer, Gadag, compered.

PM Modi, CM stress on 'double engine' Government

'We have empowered social justice through effective last-mile delivery'

Mysuru, June 21 (PIB)- Prime Minister Narendra Modi remotely laid the foundation stone for a coaching terminal for sub-urban traffic at Naganahalli Railway Station that will be developed at a cost of Rs. 480 crore. The event was held at Maharaja College Grounds last evening.

On the occasion, the PM remotely inaugurated the 'Centre of Excellence' of All India Institute of Speech and Hearing (AIISH). It is equipped with state-of-the-art laboratories and facilities for the diagnosis, assessment and rehabilitation of persons with communication disorders.

Governor Thaawarchand Gehlot, Chief Minister Basavaraj Bommai, Union Minister Pralhad Joshi, Mayor (in-Charge) Sunanda Palanetra, Health Minister Dr. K. Sudhakar, former Union Minister V. Sreenivasa Prasad, MPs Pratap Simha and Sumalatha Ambarish, MLAs S.A. Ramdas, L. Nagendra, G.T. Devegowda and B. Harshavardhan were among those present on the occasion.

Addressing the gathering, the PM said Karnataka is a State where both the economic and spiritual prosperity of the country are seen together. "Karnataka is a perfect example of how we can realise the resolutions of the 21st century by enriching our ancient culture," he said.

This land, said the PM, has given many great personalities like Nalwadi Krishnaraja Wadiyar, Sir M. Visvesvaraya and Rashtrakavi Kuvempu to the country. Such personalities have contributed significantly to India's heritage and development.

The Prime Minister said that the 'double engine' Government is working with full energy to connect common people with a life of basic amenities and dignity and taking forward the vision of these great personalities.

The Prime Minister recalled that earlier efforts for welfare were limited to a very selected segment. He noted that in the schemes made by his Government in the last 8 years, priority was given to the spirit that they should touch and reach all the sections of the society and also all the sectors.

More than 4.25 crore poor people of Karnataka have been getting free rations for the last more than two years, he added. Under Ayushman Bharat, more than 29 lakh poor patients received free treatment from the State.

The Prime Minister said that in the last 8 years, the Government has empowered social justice through effective last-mile delivery. Through efforts for saturation of welfare schemes, the belief of getting benefits without discrimination and leakage has strengthened among the common citizens of India.

He invited the start-up ecosystem to work for finding solutions to the problems of the Divyang people. The PM noted that in the last 8 years, the Centre has sanctioned about Rs. 70,000 crore for 5,000 kilometres of National Highways in Karnataka. He said that the double engine Government is working to quickly complete the projects for the ease of living of the people.

CM seconds PM Modi: Addressing the gathering, Chief Minister Basavaraj Bommai expressed confidence that the double engine Government in the State and at the Centre will once again come to power in 2023 and 2024 and continue to serve the people as the Governments have been doing now under the leadership of Prime Minister Narendra Modi.

"Narendra Modi is a rare PM that the country has seen in the last 75 years. He did not practice power politics but is into politics for the people. This is why he is liked and accepted most as he understands the people and their difficulties," he said.

For Mysuru, the CM announced that a 'tourist circuit' will be launched this year. "Mysuru is on the path of development as railway projects have been launched, the airport expansion is happening and the public healthcare infrastructure is being upgraded. Mysuru is a knowledge hub and the Government is committed to establishing knowledge-based industries here," he said.

Beneficiaries recall how their lives have changed

PM Modi asks two women if they could stitch a kurta and cook for him

Mysuru, June 21 (RK&BCT)- Interacting with some of the beneficiaries of Central schemes, PM Modi spoke to Pradeep, a resident of Mysuru, who had received medical assistance through Ayushman Bharat. Modi expressed satisfaction that every paisa of the Government is filling people with confidence.

Pradeep, who met with an accident, suffered facial injuries. Due to his financial condition, he could not afford face reconstruction. "I was helpless and the Centre's Ayushman Scheme helped me regain my facial features," Pradeep told the PM.

Ambika, a resident of Basappanadoddi in Hanur taluk of Chamarajanagar district, had taken a loan under the Govt. of India's Mudra scheme to set up a tailoring unit. She too told the PM that the scheme had immensely benefited her and improved the condition of her family.

In the course of their conversation with the PM, Modi asked her, "Will you stitch a kurta for me?" Taken aback by the sudden question, Ambika took a while to react but replied, "I will be thrilled to stitch a kurta for you. I will not forget this day as I have met with the country's Prime Minister."

Next to be surprised was Yashoda Suresh, a resident of Uddinamalahosur in Mandya's K.R. Pet taluk. She is the beneficiary of the Prime Minister's Awas Scheme for housing. Speaking with Yashoda, the PM asked whether she would cook food for him if he came to her house.

She replied, "I was staying in a dilapidated house but thanks to the scheme, I have shifted to the new house. My house has a toilet, electricity and water connection and when guests come, I prepare food for them with ease."

'Mysuru Peta' readied by Kakaravadi Paramesh adorns PM Modi

Mysuru, June 21 (MTY)- The Mysuru Peta (traditional headgear of Mysuru) that adorned Prime Minister Narendra Modi during the public event held at Maharaja's College Grounds in city last evening, was readied specially by Paramesh, a resident of Kakaravadi.

When the District Administration was looking for a 'Peta' to felicitate Modi during his city visit, silk garment traders mentioned the name of Paramesh, who is well-versed in preparing traditional Mysuru Peta. Hence, Paramesh was given the job of readying the Peta.

In this backdrop, a Peta made of silk and zari was readied and handed over to MCC Officer Roopa. Chief Minister Basavaraj Bommai and Union Minister Pralhad Joshi adorned the PM with the Peta.

Speaking to *Star of Mysore*, Paramesh said he had also used beads in the 'Peta' which was removed later as officials asked to do so due to security reasons. "I am very happy that the PM was adorned with the Peta readied by me," said an elated Paramesh.

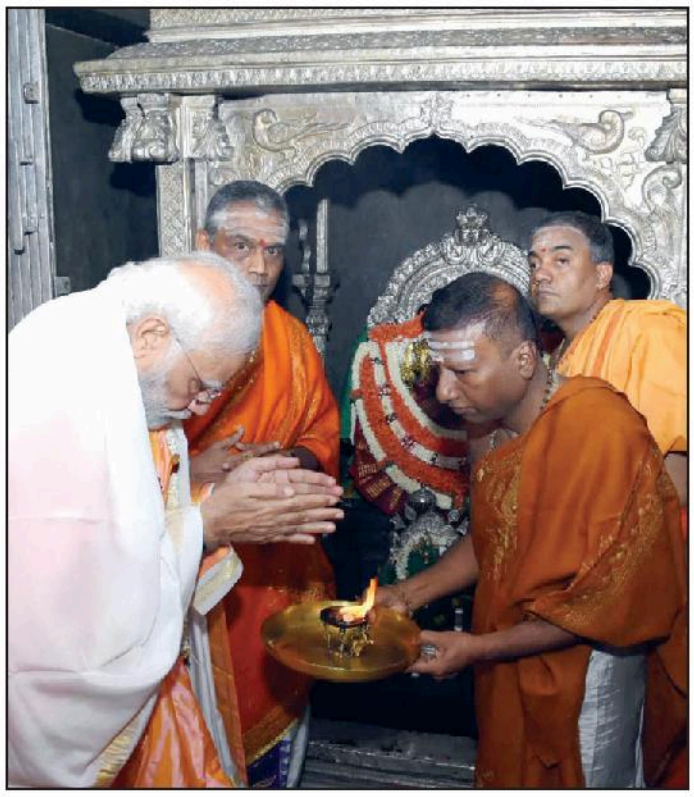
PM pays obeisance to presiding deity



Mysuru, June 21 (SBD)- Prime Minister Narendra Modi paid obeisance to Goddess Chamundeshwari at the Chamundi Hill Temple here on Monday night.

The whole of Chamundi Hill and the Temple were illuminated and decorated as part of Modi's visit. He reached the temple at 8.30 pm where he was accorded a warm welcome by priests, including Chief Priest N. Shashishekar Dixit.

Th PM offered prayers to the Ganesha idol at the entrance. Draped in saffron shawl and dhoti, the PM entered the temple and paid obeisance to the presiding deity, Goddess Chamundeshwari. Modi offered prayers sitting near the *sanctum sanctorum*.

Governor Thaawarchand Gehlot, Chief Minister Basavaraj Bommai, Union Minister Pralhad Joshi, District Minister S.T. Somashekar, MLA G.T. Devegowda, Muzrai Minister Shashikala Jolle and others were present on the occasion.

Public entry to Chamundi Hill was restricted on Monday, in the wake of Modi's visit.

From Chamundi Hill, Modi's convoy reached Hotel Radisson Blu Plaza, where the PM stayed overnight and took part in the International Day of Yoga (IDY) programme at Mysore Palace this morning.

Goddess Chamundi adorned with silk saree offered by PM

The idol of Goddess Chamundeshwari was adorned with the silk saree offered by the PM last evening when the VVIP visited the Chamundi Hill temple.

The saree was sent to the Temple prior to his visit and was handed over to the Temple authority by MP Pratap Simha who had earlier inspected the arrangements made at the Temple for the PM's visit.

PM Modi travelled along the illuminated road to Chamundeshwari Hill Temple last night.
